### Mining Claims (Bulls Eye, Buckskin & Bandstone) and Rock Operations

Dear Mr. Knight,

I am the geologist at the BLM Fillmore Field office and am working on the rock operation permitted by Edwin Lister associated with your claims. The sale of material at the site is expired and I would like to resolve some bonding and contract issues.

Would you mind contacting me at your convince? I have not been able to contact Edwin Lister.

Thank You,

Todd Leeds
